

Mary, Mother of the Redeemer CATHOLIC SCHOOL

***Your help is needed to support Catholic education.
Please act now. MMR students benefit from the tax credit program.***

Earlier this summer, Pennsylvania's Speaker of the House, Representative Mike Turzai, put forward a proposal to increase tax credits available under the Educational Improvement Tax Credit (EITC) program and the Opportunity Scholarship Tax Credit (OSTC) program by \$20 million.

While such an increase would greatly benefit our Catholic schools students, the proposal has been shelved due to budget issues.

The EITC and the OSTC programs have always achieved bipartisan support and have been acclaimed as two of the best educational programs Pennsylvania offers to students in both public and private schools.

The tax credit scholarships have been an investment that has paid dividends for students seeking a Catholic or other private education in Pennsylvania. Every Catholic school in all corners of this great Commonwealth benefits from the EITC or OSTC programs.

Each year more than 40,000 families get a scholarship that permits the parents to send their children to a school that best meets their needs. It gives these families a true choice in the right educational path for their children.

We need your help to urge all lawmakers to invest in success and support the expansion of the Educational Improvement Tax Credit (EITC) and Opportunity Scholarship Tax Credit (OSTC).
