

Dear Parents,

We would like to introduce new MMR pre-school families to the General Mills Box Tops for Education Fundraiser program, and remind everyone else how the program works. Our school receives 10 cents for each box top we collect. The more we collect, the more we earn!

Last year, we raised just under \$1,000 for our school – that means we collected approximately 10,000 box tops! With your help, we know we can top that number this year! We encourage everyone to participate in the program. Simply clip the Box Tops logos from hundreds of participating General Mills products, such as Cheerios, Kleenex, Hefty and Ziploc bags, Yoplait Kids Yogurt, Avery office products, and *many* more! It's that simple!

You can learn even more about the program, and how to earn Bonus Box Tops on the General Mills website, www.boxtops4education.com.

****To encourage participation this year, the HSA will sponsor a *monthly incentive prize* for the pre-school classroom with the highest Box Tops collection. Additionally, there will be *one grand prize* awarded in June: **A RITA'S WATER ICE PARTY** for the classroom with the *most* Box Tops collected during the 12/1/10 - 6/1/11 period. Please make sure that all Box Tops contributions are properly labeled so that your child's classroom can get credit. Send them to school in an envelope or plastic baggie with your child's name, teacher's name and classroom on it (Mrs. Paul's & Mrs. Harkin's students are kindly asked to designate whether they are in the 3 year or 4 year program on their submissions). Collection containers are now located in each classroom.****

Be sure to check the MMR news alerts throughout the remainder of the school year for reminders and updates on our progress.

Thank you again for all of your support. If everyone pitches in, we'll surpass our goals and have a record-breaking year!

Sincerely,

Tiara Falcone & Tricia Starr
