

Snow Closing and Delay Reminders

As has been true in past years, full day weather closings and delayed openings will be posted on the school web site and listed with KYW radio and television. **We will also use the Alert Now system to call your primary number with notifications.** Local municipalities also list school district closings on cable access channels. **Our school number is 547.**

Please note the following general information regarding weather-related closings and late openings:

- MMR will adhere to the closing or late opening decision of the North Penn School District as the vast majority of our students are serviced by its Transportation Department via First Student Transportation.
- If you live outside of the North Penn School District and your district is *operating under the same opening schedule* as North Penn busing is typically provided, adjusted for the time delay.
- If you live outside of the North Penn School District and *your district is not delayed, but North Penn is delayed*, no busing will be provided. Students should be driven to school according to the delay timeline or reported absent to the attendance line if no car transportation is available.
- If you live outside of the North Penn School District and *your district is delayed but North Penn is not*, students may be driven to school for a regular 8:30am arrival or may wait for their district bus to drive them to school according to your district's delayed start time.
- Walkers and car riders are to adhere to the same delay schedule as the buses. Therefore, students should not be attempting to enter the building before 10:10am if we are on a 2 hour delay.

It is very important for the safety of all students that delayed openings are recognized before leaving for school in the morning as adult supervision is not available at school from 8:10 to 10:10am on these days.

Please note that all districts will provide transportation home at the regular time regardless of conflicting delayed opening times as long as your home district was in school for at least some portion of the day.

Please call the school office with any questions.
