

Trash/Cleanup - Operational Procedures

Opening Rules

1. Arrive at fair grounds at **5:30 PM**. All volunteers are asked to park on the grass near the North entrance of the church. You will be charged \$2.00 to park, which can be reimbursed at sign-in.
2. Go to the side of barn to the information booth to sign-in and receive a food coupon (for a minimum 4 hour shift), as well as a reimbursement for parking. You will also receive a nametag, which must be worn at all times. The soda tents will give you bottled water all night (while you are working) when wearing a festival nametag.

Operation

1. Replace trash liners from full trash cans.
2. New liners are available from the side of the barn.
3. Full bags should be tossed into the dumpsters.
4. Also, clean up trash from the grounds during the festival.

Additional General Rules:

1. Festival campus is now a non-smoking campus. There is a designated smoking area near the beer and wine garden.
2. If someone falls or gets injured, please go immediately to the sign-in booth and ask for an incident report – to be completed by festival personnel.
3. Strobe lights will light up if there is an unusual emergency for example, a lost child. Wait to find out the details from a security guard.
